What are The Best Parameters for MACD (<https://forexwot.com/what-are-the-best-parameters-for-macd.html>)

The main idea behind the Average True Range Trading strategy is, we only want to trade when the market is ready to accelerate.

The best Average True Range period to trade with is 10. Our team at Trader DNA has found out through extensive research that 10 sessions or 10 periods is the perfect number to measure the volatility. And it works best on the daily, 30 minute, and 1 hour chart.
