

INDICATOR 1

Up/Down Vol Ratio

<https://fr.tradingview.com/script/SANpU4xy-Up-Down-Vol-Ratio/>

What it looks like originally

What i need :

remove all input and style parameters

Keep only the Up-down ratio line and its own inputs (period...)

what it should like

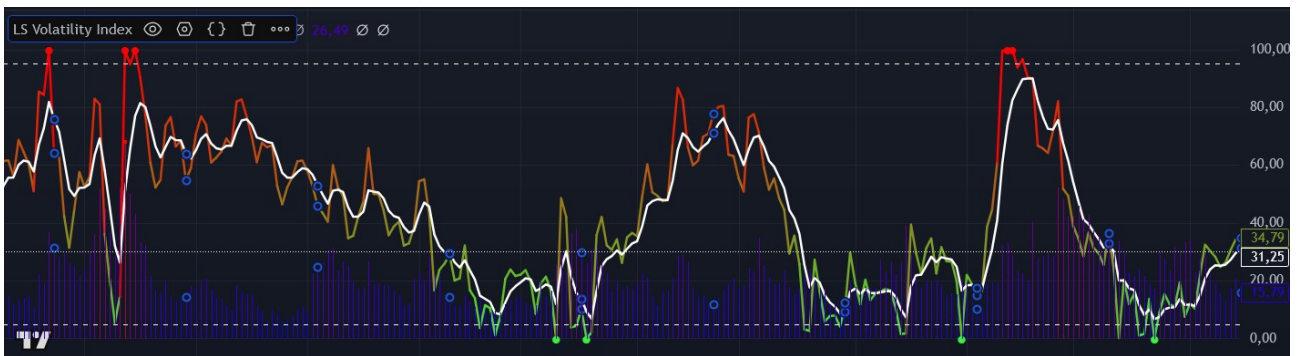

INDICATOR 2

LS Volatility Index

<https://fr.tradingview.com/script/H4ddDYxs-LS-Volatility-Index/>

What it looks like originaly

What i need :

remove all input and style parameters

Keep only the LS volatility index and its own inputs (period...)

what it should like
