

Ниже указана стоимость комиссии по предлагаемым инструментам за сторону и за круг соответственно. Комиссия указана с учетом технологического сбора CQG и всех остальных составляющих (брокерская комиссия, биржевой сбор, сбор НФА и клиринга). Стоимость платных функций используемой платформы не входит и её стоит добавить отдельно (если применимо). Если вы торгуете используя котировки Rithmic, следует **добавить 0,15 за сторону (0,30 за круг)** ко всем инструментам в нижеследующем списке. Если вы торгуете используя котировки TTnet (Trading Technologies), все инструменты в нижеследующем списке будут на **0,10 за сторону (0,20 за круг) дешевле.**
