For correct work and testing, you need to select a folder with set files.
For most brokers, the GMT+3 folder is suitable.

To do this, you need to ask your broker a question or ask me.

What is your GMT in the MT4 terminal in summer, summer GMT?

If you were answered GMT+0, select the GMT+0 folder

If you were answered GMT+1, select the GMT+1 folder

If you were answered GMT+2, select the GMT+2 folder

If you were answered GMT+3, select the GMT+3 folder
