Follow below steps to Enable News API in MT4.

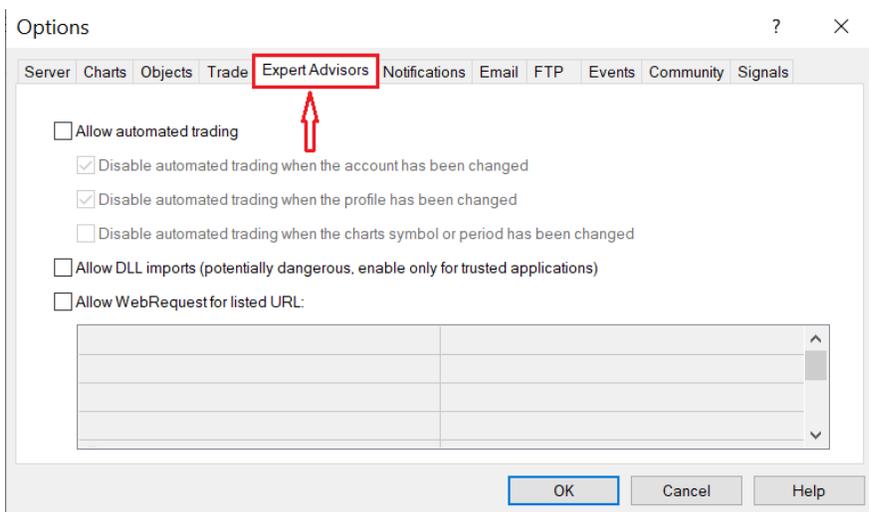

Step 1: Open MT4 and Go to Tools

Step 2: Select Options

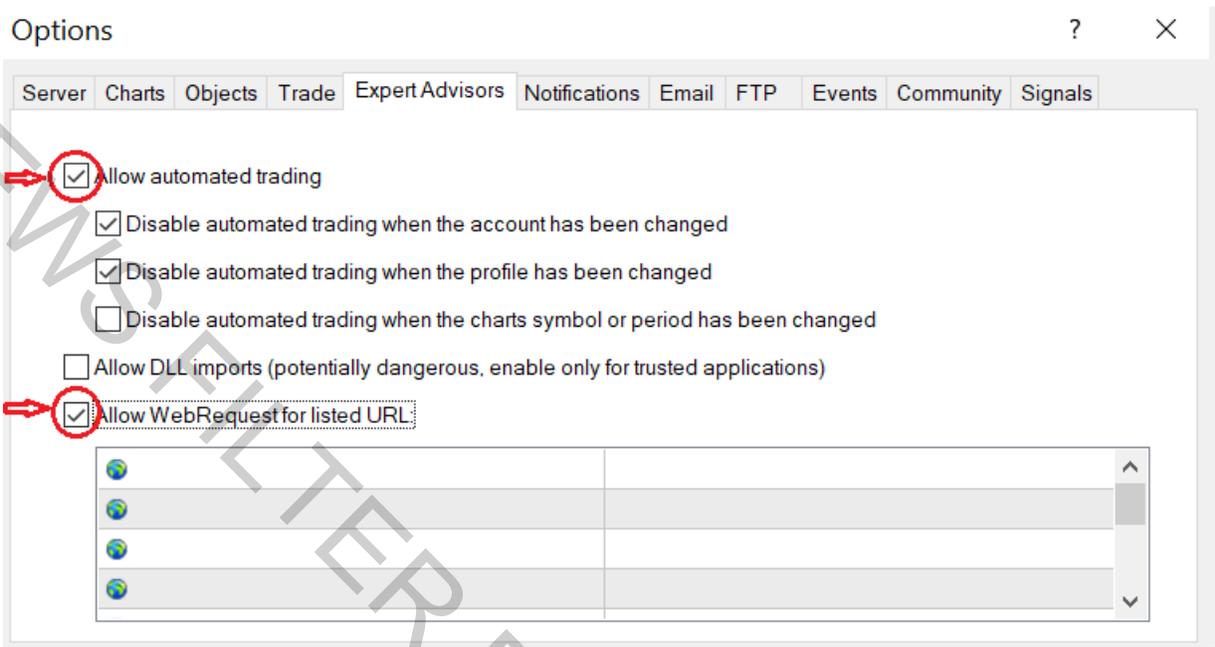

Step 3: Select Expert Advisors

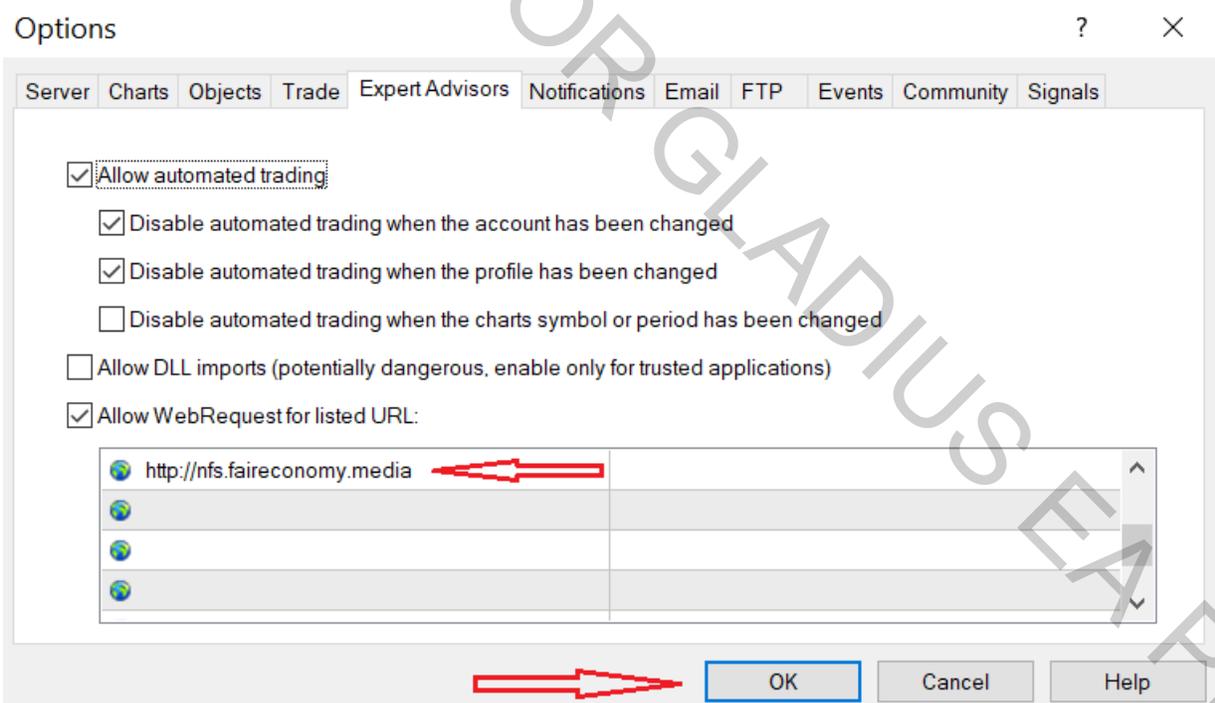

By [Mohd Ikhwan Bin Agusalim](#)

Step 4: Enable following fields

Step 5: Add <http://nfs.faireconomy.media> in the list of urls and then click OK

You can reinstall the EA on chart and it will show you a message in the Experts tab of Navigator.
