Description of Peaks:

Peaks can be described as all stoch with different setting(6,3,3-24,3,3) in the same direction. Based on the theory stoch 14,3,3 is like a mother to all the stoch. The trade only be take if all stoch head up on 1 direction and stoch 14,3,3 cross the 76.4,23.6 and 50 line.

What Peaks Cross-Line Means for The System

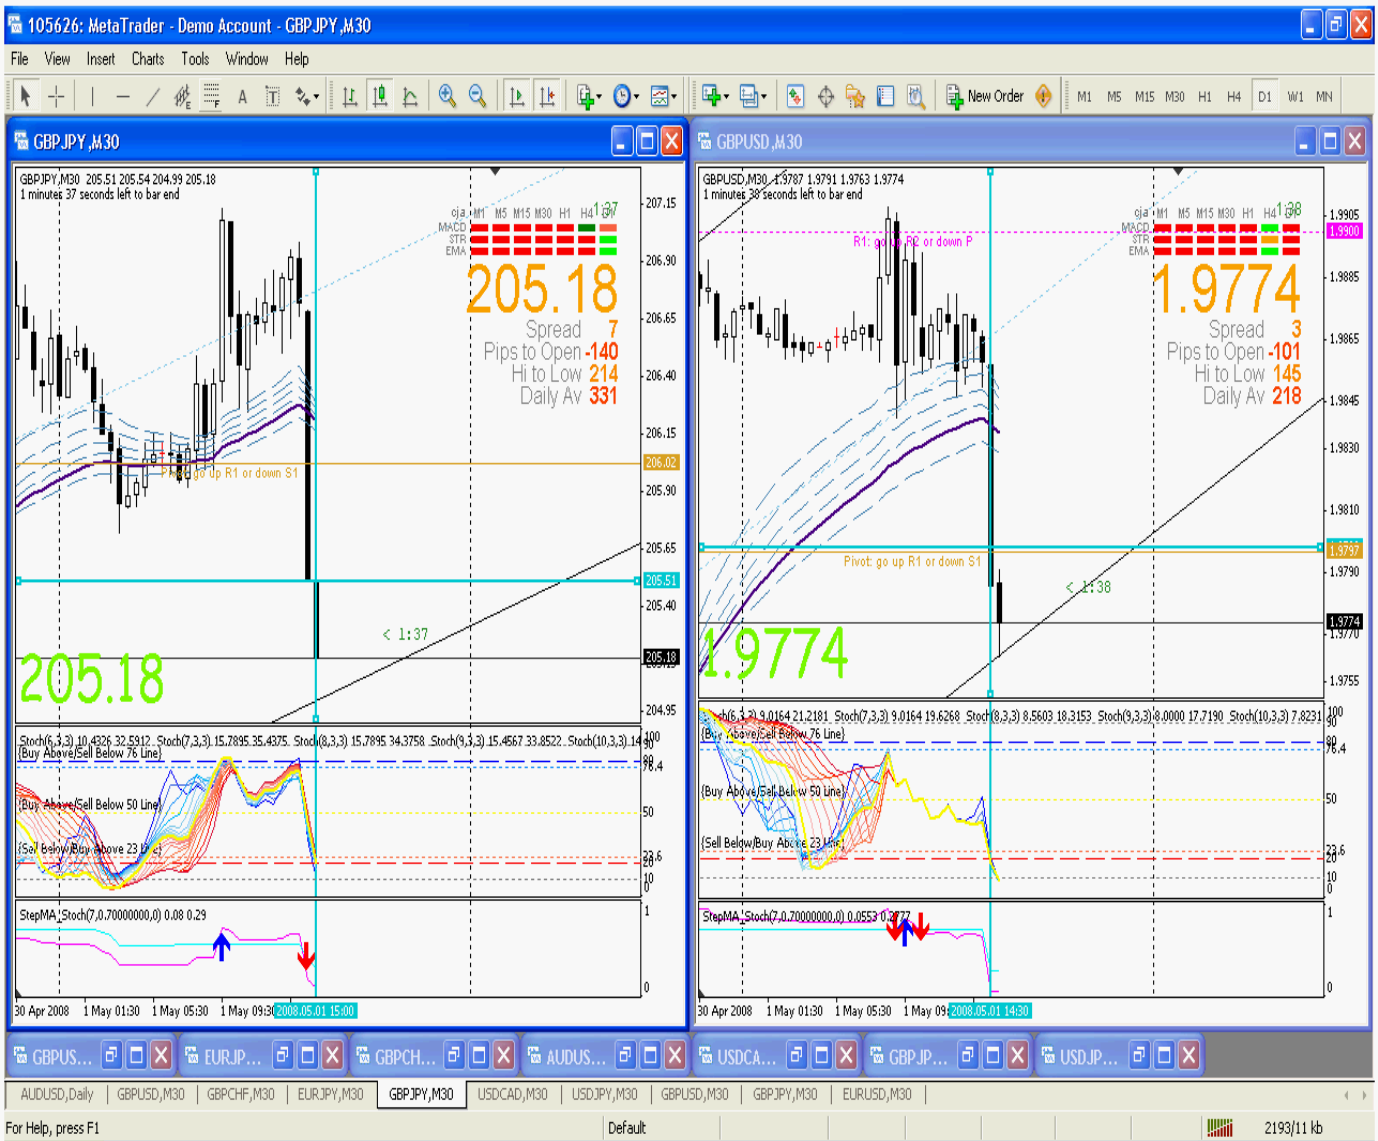

Legend:

- Yellow Stoch :Stoch 14,3,3
- Blue Oval :Indicates line 76.4
- Red Oval :Line 50
- Green Oval :Line 23.6

The Trade only be taken on the cross time not after the cross.
