

### Firebirdv63G Winners and Losers from 13-6 8:00 until 20-6 14:15 (GMT+2)

I've seen this before: best trades between 8:00-12:00, 13:00-15:00 and 16:00-22:00.

You can use EDEA to make yourself such a schedule. (I will keep this updated)
